This information is, and will remain confidential and not used for any purpose other than communications from/with the Homeowner's Association.

Additionally, we're trying to do our part to cut-down on the cost to the Association of printing and mailing all of the required disclosures and notices to the members. Did you know, for example, that the cost to send the Notice of the Annual Meeting Notice to each member by mail, as required by the Davis Sterling Act, is \$143.00 in postage alone? Annual disclosures can cost 5-6 times that amount.
